

GreatLife International Company Overview

Changing lives...one person at a time!

A team you can count on

Paul Scott & Gregg Sturz, Founders

We would like to take a moment to personally thank you for taking the time to explore your financial future with GreatLife International. Words cannot express how excited we are about our company and all it has to offer. Whether it's optimum health you are looking for or a way to achieve financial independence, **GreatLife International is your answer!**

When we started GreatLife International in June of 2006, we were committed to building a company that would be recognized throughout the world for its integrity, purpose and ongoing commitment to improving the lives of others. We believed we could accomplish this by offering a unique and innovative product that could only be purchased from a GreatLife International Independent Distributor, while at the same time rewarding that distributor through a pay plan designed to be one of the highest commission payouts in the industry. Today, we can proudly say we have successfully accomplished this goal.

Blessed with a product that is changing lives daily, we exploded onto the scene with record breaking growth. In our first year alone, we were conducting business in several different countries. As a result of our steady growth, we earned the reputation of being a dependable company that offered an extraordinary opportunity.

At GreatLife International, we understand that the real measure of our success is determined by our customer's satisfaction and the success of our distributors. That is why we have strategically developed a management team with over 100 years of industry knowledge and experience behind it to support our distributors every step of the way.

However, that is only the beginning. We also have a Medical Advisory Board comprised of some of the most talented and qualified researchers, scientists, doctors and nutritional experts assembled on one team. With over 100 years of combined experience, these dynamic professionals are on the forefront of the health & wellness industry.

With an unconditional dedication to helping others improve their quality of life through advanced science, new technologies and natural alternatives, these experts are the perfect example of GreatLife's ongoing vision and commitment to providing the very best products possible.

The future is certainly bright at GreatLife International and the possibilities for our distributors to achieve their financial goals are endless. There is no doubt that we have a special opportunity to offer and we are looking forward to sharing it with the rest of the world.

The best part is... we're just getting started!

Why GreatLife... Why Now?

GreatLife International – Making a Difference

At GreatLife International we take special pride in knowing we are not just another company. While many companies focus only on their bottom line, our mission is very different. We believe by focusing on providing our customers and distributors with superior value and service, the profits will follow.

This philosophy, combined with our unique business strategy has contributed to the phenomenal growth we continue to experience. Now firmly established in North, Central, and South America, GreatLife is poised to expand throughout many other areas of the world. There's never been a better time than now to be part of GreatLife!

GreatLife 4 All - Giving Back to Those in Need

When you see what your involvement with GreatLife International can mean to you and other people around the world, your heart will be touched by the generosity, support and difference you are making. GreatLife is much more than a life changing health product and opportunity... GreatLife is a company that gives back!

One way this is done is through GreatLife 4 All, a global charitable organization formed by GreatLife International. GreatLife 4 All was developed specifically for the purpose of giving back by helping certain groups and families that are underprivileged, less fortunate, and in need of charitable support.

The best part about GreatLife 4 All is you! Every life touched, every story told; you are a part of it all. Each of us wants to make a difference along the way. GreatLife 4 All is a way for us to act collectively and make a difference in the world.

As a GreatLife Distributor, you are able to build your business with even greater purpose knowing that a portion of everyone's efforts becomes a powerful gift for many people in need and less fortunate.

GreatLife offers something for everyone!

Whether you're looking to...

- Improve your health, appearance, vitality, energy & performance
- Experience personal growth
- Create additional income and/or financial freedom
- Or give something back to your community by helping others

GreatLife has it all!

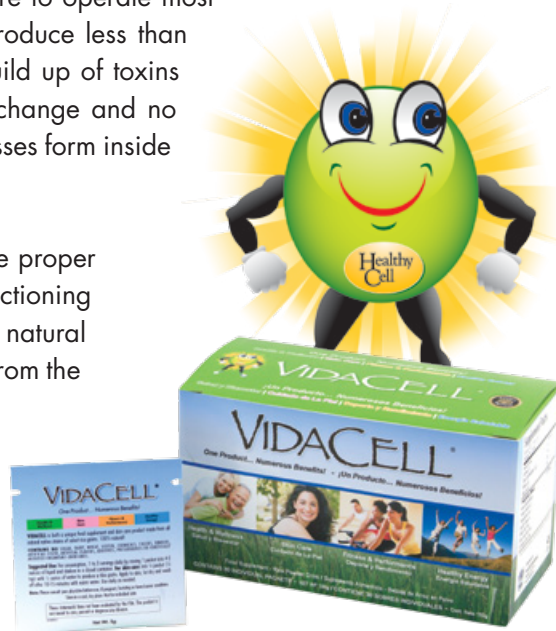

The perfect food, for the perfect creation

The body is the perfect creation. When the body was created, the earth was full of perfect foods and nutrients to feed and support it. Unfortunately, the foods we eat today are not as pure and whole as they once were.

As a result, our bodies no longer receive the proper nutrients they require to operate most efficiently. This lack of proper nourishment causes our body's cells to produce less than normal energy. Therefore, the cells function less efficiently, causing a build up of toxins and waste in the body. The natural functioning of the body begins to change and no longer functions like a perfect creation; this is how most diseases and illnesses form inside the body.

VIDACELL® feeds the body at the cellular level. Once the cells receive the proper nutrients, they can produce the needed energy for the DNA to start functioning again, or function at a higher level. This begins to put the body back to its natural order. The body cannot function properly unless it gets the proper energy from the cells that are powered by the mitochondria (the tiny engines in the cells).

With VIDACELL you can fight the adverse affects of poor nutrition by providing each and every cell with the nutrients needed to enhance cellular energy production to help metabolize glucose, rid the body of toxins and waste products, as well as protect, repair and renew itself.

Great Feedback...

"VIDACELL is unlike any other health product I have ever seen. It's an extraordinary combination of nature and science. It provides you with the strongest cellular protection possible to keep you feeling and looking healthy at any age!"

– Dr. Mark Dargan Smith, N.D., PH.D.

"Together, the unique combination of polysaccharides & polypeptides in VIDACELL promote unprecedented cell nourishment. I have never seen a product work so effectively at fighting the ravages of time! Without a doubt, the anti-aging answer we've all been searching for is finally here."

– Dr. Howard Peiper, N.D.

"In all my years in competitive bodybuilding and using nutritional supplements to be at the top of my game, nothing even comes close to VIDACELL in giving me more workout energy and stamina."

– Ralph Gaxiola, Former Mr. USA

Securing your financial future

Imagine having access to what one day will be considered the most powerful cell food product ever! Once the word starts to get out about this miraculous product, everyone will want it and search for a way to get it. Who will they get their VIDACELL from? Will it be from you, or will it be from someone else?

In the next five years GreatLife International is estimated to pay out millions in commissions to its Independent Distributors who share VIDACELL and the GreatLife income opportunity with others! Yes, that's millions! The question is, will you get your fair share?

Below is an overview illustrating the different ways GreatLife compensates its distributors:

Retail Profits

Earn up to **40%** profit on all your personal sales.

Life Points

Earn Life Points on all your personal retail sales and purchases. When you accumulate enough Life Points, redeem them for a variety of items such as:
