# *Compensation Plan Definitions*

---

## *Retail Profits*

GreatLife Independent Distributors can earn the difference between the distributor's price and the customer's suggested retail or preferred price. There are no personal sales volume requirements or volume requirements to earn Retail Profits.

## *Life Points*

Life Points are awarded and accumulated from the PV (Personal Volume) that is generated in your own Tracking Center from your personal sales and purchases. The ratio is 1 Life Point for every 1 PV. Life Points can be redeemed for product, marketing aids, promotional items, and other items specified by GreatLife International.

Life Points do not carry any BV (Business Volume) or PV (Personal Volume) value towards the calculations of commissions/bonuses, and are not redeemable for cash, your back office, shipping, autoship orders, qualifications, etc. Life Points can be used only towards items that are identified by GreatLife as a redeemable Life Point product. GreatLife reserves the right to modify items and point values at any time.

To qualify for Life Points, you must meet the Active Distributor requirements. If you do not have a minimum 50 PV monthly autoship for the month, you will forfeit any and all Life Points you have accumulated up to that point.

## *Fast Start Bonuses*

The Fast Start Bonuses are paid to the sponsor who sponsors a new distributor that purchases the company's specified "**Activation Pak**" as their initial purchase during sign-up. There are no personal sales volume requirements or volume requirements to earn Fast Start Bonuses. Fast Start Bonuses are paid on Activation Pak purchases only.

## *Team Commissions*

Team Commissions are earned by building two teams of business, a left team and a right team. When you personally introduce other Independent Distributors to your GreatLife business, you will place them on one of your teams. Once you have the required amount of Business Volume (BV) to Cycle, and you have already met the Qualified Distributor requirements, you can earn Team Commissions. **You can earn up to \$2,000 per day in Team Commissions!** Your strong team (two-thirds of your Business Volume) and your weak team (one-third of your Business Volume) may switch from your left side to your right side each cycle.

## ***Matching Bonuses***

Matching Bonuses are earned when you personally sponsor a distributor who earns a Team Commission. You can earn a **25% –100%** Matching Bonus on all of your Personally Sponsored distributors. The amount of Matching Bonus you can earn from each of your Personally Sponsored distributors is determined by your level of qualification and the amount of Team Commissions you have personally earned. Your personal Team Commissions earned will determine the maximum amount of Matching Bonuses you can earn from each of your personally sponsored distributors. For example, if you earn **\$800** in Team Commissions this week, the maximum amount of Matching Bonus you can earn per personally sponsored person for the week would be **\$800**. With exception, you can earn up to **\$500** a week in Matching Bonuses on all of your Personally Sponsored distributors even if you have not personally earned a Team Commission. **You can earn up to \$60,000 per month, per personally sponsored distributor, in Matching Bonuses!**

## ***Lifestyle Bonuses***

The GreatLife Lifestyle Bonus is a monthly car, boat, motorcycle or house payment allowance that you qualify for each month. Depending on your qualification level, you can receive up to **\$2,000** Lifestyle Bonus.

You are eligible to receive the Lifestyle Bonus after your first month of qualification. Your Lifestyle Bonus eligibility then starts the second month you qualify and will be paid out based on your level of achievement. Your bonus will be the amount of your submitted payment stub, but no more than your level of achievement. Should you for some reason not qualify for the Lifestyle Bonus during a particular month, you will need to re-qualify by meeting the minimum requirements.

The Lifestyle Bonus will be paid out the commission week of the fifteenth of the following month you qualified to receive your bonus. You must submit to GreatLife a completed Lifestyle Bonus Form (under Forms in your Back Office), your car, boat, motorcycle or house payment stub or statement, and a photo of you with your vehicle or home before you can receive your bonus.

## ***Business Builder Bonus***

The Business Builder Bonus is an exciting bonus that is available to all qualified GreatLife distributors. The bonus is a one-time bonus that is paid out after the qualification period (Your first 120 days as a GreatLife Distributor) by the 15th of the following month. The qualification period begins the first day (Your join date) and continues through your first 120 days as a GreatLife Distributor.

The Business Builder Bonus that you earn is determined by your highest achieved rank within your qualification period. This bonus is not cumulative.
